# Introduction

Connecting Kids to Coverage National Campaign images can be added to your email signature to help spread the word about free or low-cost health coverage through Medicaid and the Children's Health Insurance Program (CHIP).

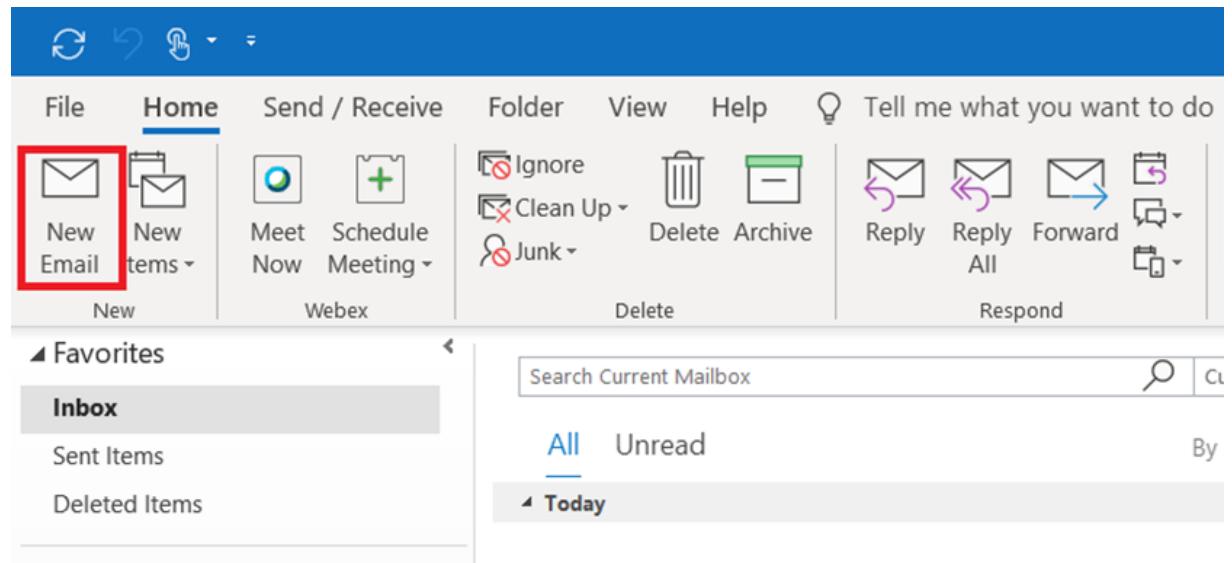

Please note, graphics provided have been sized specifically for email signatures.

While the example images are in support of the Campaign's "Mental Health" initiative, there are a variety of graphics available on [InsureKidsNow.gov](http://InsureKidsNow.gov) that can be used to promote multiple initiatives including:

- Peace of Mind
- COVID-19
- Flu Season
- Missed Care
- Year-Round Enrollment
- Back-to-School
- Dental Health
- Vision Care
- Mental Health

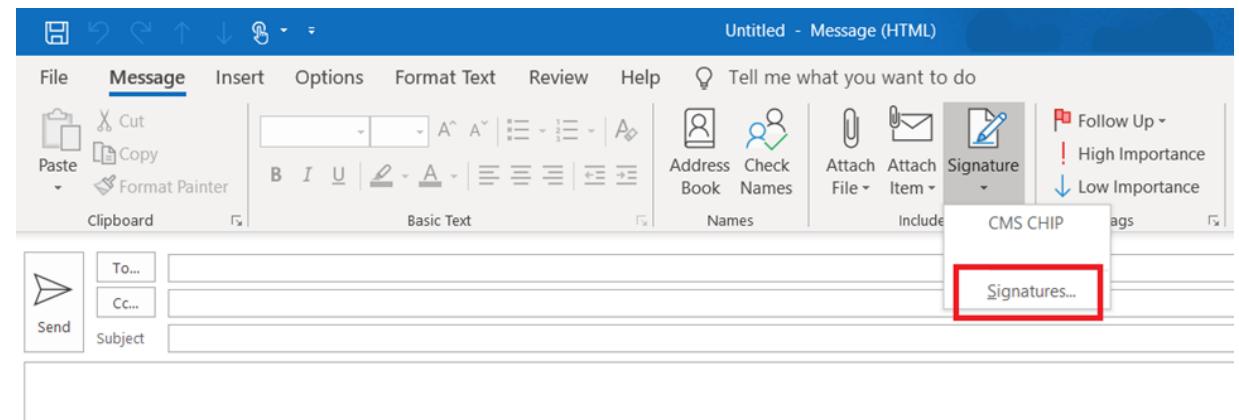

# Adding an Image to Your Email Signature: Step 1

- Log into your Outlook email account and open a new email message.

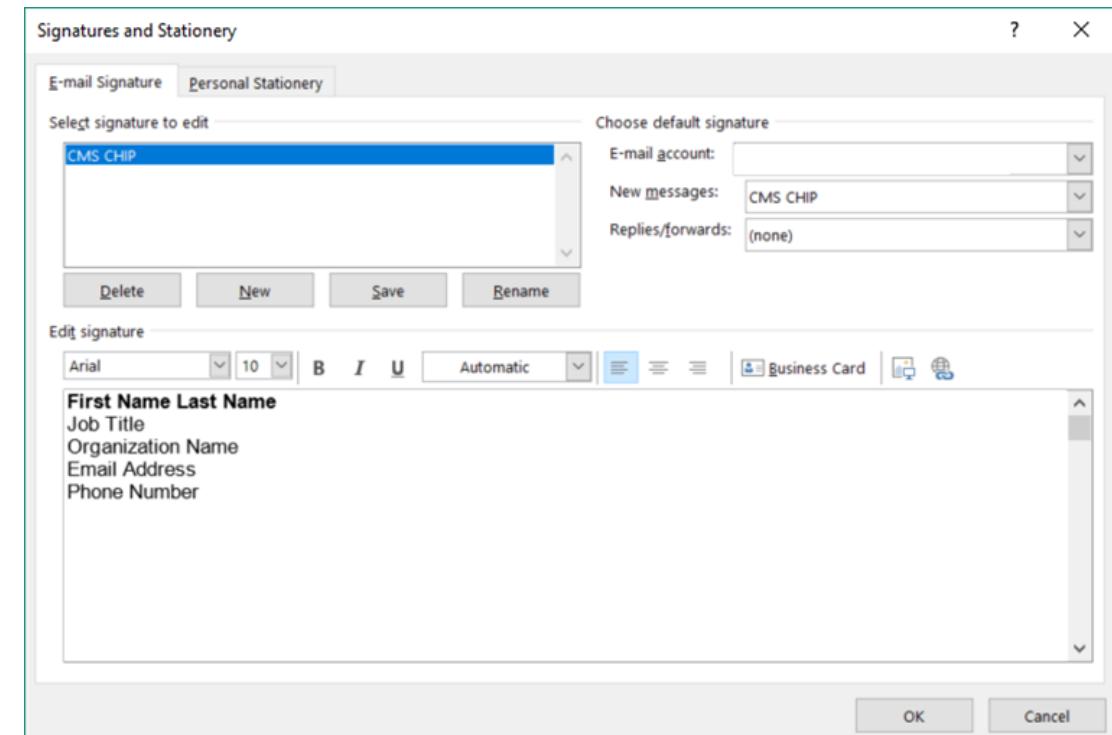

# Adding an Image to Your Email Signature: Step 2

- On the message menu, select “Signature,” then click on “Signatures...”

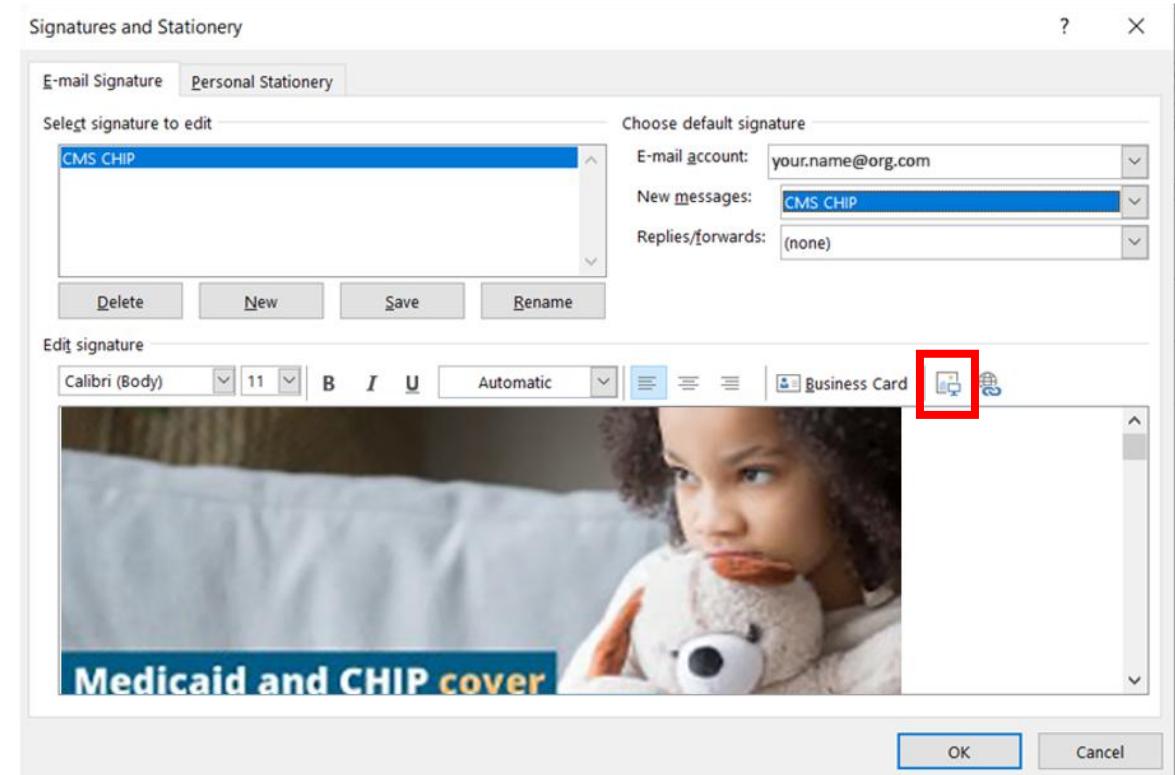

# Adding an Image to Your Email Signature: Step 3

- A “Signatures and Stationery” box will appear.
- Under the “Select signature to edit” box, choose which signature you want to feature the image.
- If creating a new signature, select “New” and name the signature.

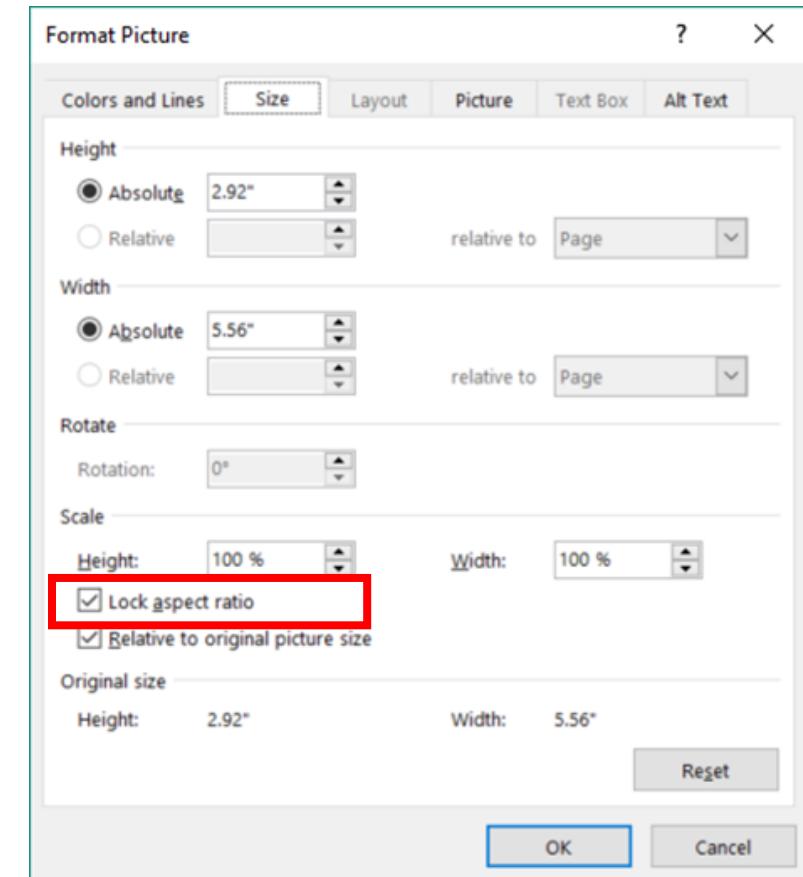

# Adding an Image to Your Email Signature: Step 4

- Select the Image icon, locate the image file you would like to use, and select “Insert.”
- Campaign images can be found in this presentation and in the Outreach Tool Library at [InsureKidsNow.gov](http://InsureKidsNow.gov).

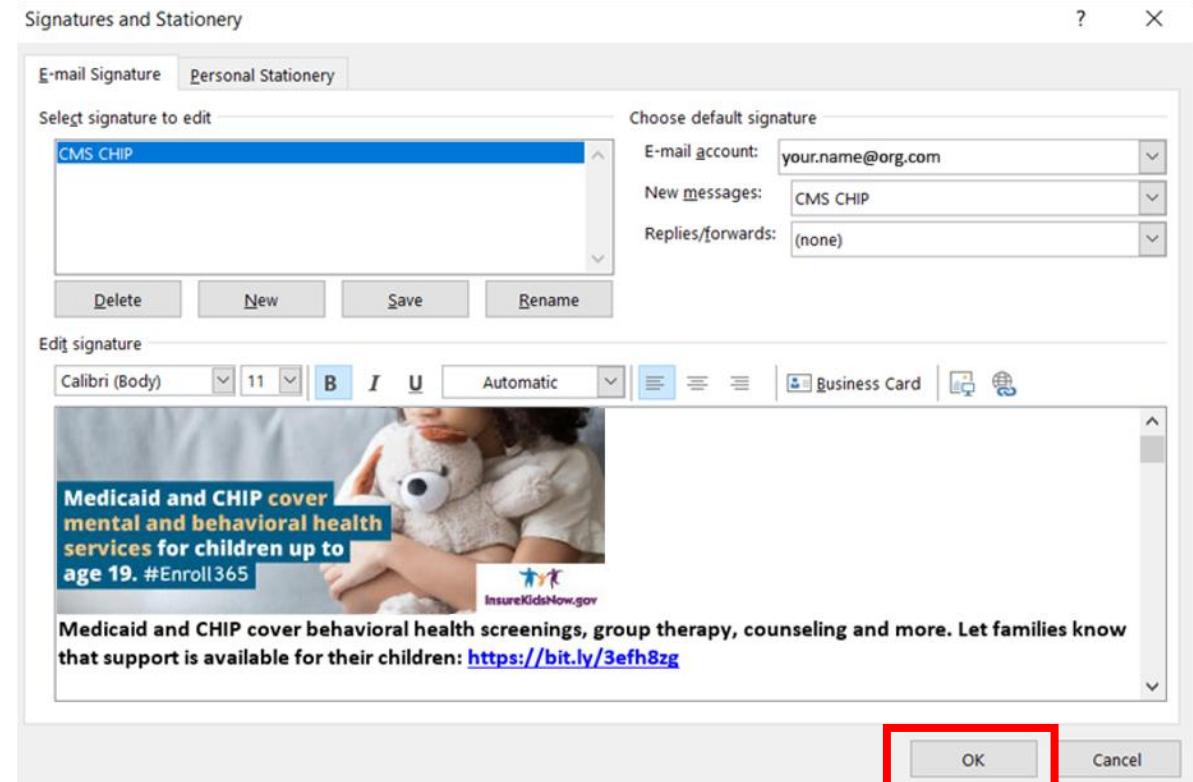

# Adding an Image to Your Email Signature: Step 5

- To resize your image, right-click the image, then choose “Picture.” Select the “Size” tab and use the options to resize your image.
- To keep the image proportions, make sure to keep the “Lock aspect ratio” box checked. Select “OK” when finished.
- The image should be between 300 to 600 pixels in width, or between four to eight inches at 72 dpi.

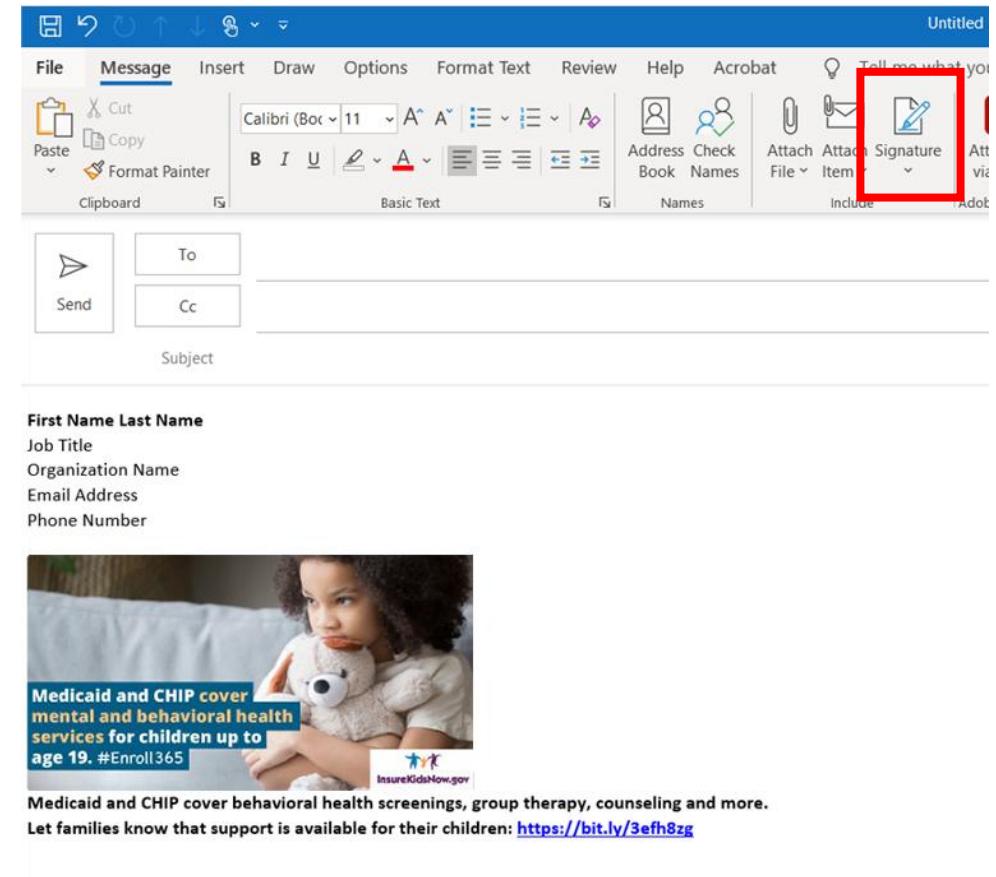

# Adding an Image to Your Email Signature: Step 6

- Add the suggested copy under the inserted image.
- Select “OK” to save the changes to your signature.

# Adding an Image to Your Email Signature: Step 7

- On the message menu, select “Signature” again and reselect the signature where you added the image and suggested copy.
- The body of your email will update and reflect your new signature with featured image.

# Sample Images and Copy

The Connecting Kids to Coverage National Campaign has developed the following suggested copy and images in English and Spanish for email signatures supporting Campaign initiatives year-round.

Copy and links can be customized to best suit your organization or messaging needs. Links currently go to the respective Campaign initiative pages.

These materials and more Campaign resources can also be found on [InsureKidsNow.gov](http://InsureKidsNow.gov).

# Peace of Mind - One Less Thing

English

The image shows a woman with curly hair, wearing a blue long-sleeved shirt, sitting on a blue and white patterned blanket inside a white tent. She is reading a book to two young children: a boy in an orange shirt and a girl in a white onesie. An orange rectangular frame highlights the central area where the woman and children are reading.
