

Now it's easier to turn sniffles into smiles.

With health insurance, you're ready for whatever cold and flu season brings. Medicaid and CHIP offers free or low-cost health insurance for kids and teens. Children can get regular check-ups, immunizations, doctor and dentist visits, hospital care, mental health services, prescriptions and more. Families of four earning up to nearly \$50,000 may qualify (or even higher in some states).
