

I'M YOUNG, BUT I WASN'T BORN YESTERDAY.

I know a good thing when I see it—like health coverage through Medicaid and CHIP. And I'm here to talk it up. It's low-cost or free for children and teens up to age 19. And parents may be eligible for Medicaid too. Us kids can get regular check-ups, shots, doctor and dentist visits, hospital care, mental health services, prescriptions and more. Enrollment is open year-round. You may be eligible now, even if you have applied before. Families of four with an income up to \$80,000* may qualify.
